This Addendum shall become part of the Contract Documents and shall modify the bid documents, including any past addenda, as indicated below.

Bidders should acknowledge receipt of this Addendum in the appropriate space on the Form of Proposal.

2. With the lack of getting an estimate in time for submittal, NOVA Parks asks that proposals still be submitted **MONDAY - MAY 13, 2024**, to include assumptions for shallowing of the pool so review can begin. If estimates come back from engineers and NOVA Parks feels that an edit in budget for structure is necessary vs extension of the budget to cover the shallowing work, NOVA Parks may reach back out to those that submitted for review and adjustments to proposals based on those figures.
