BENEFITS GUIDE

2020
Dear NOVA Parks Colleague:

NOVA Parks cares about the health and well-being of you and your family, and we are dedicated to providing you with a comprehensive benefits package. We encourage you and your dependents to become familiar with the resources and providers listed in this benefits guide.

As an active, full-time employee, you are eligible for a variety of valuable benefits such as health insurance, dental and vision benefits, flexible spending plans, and an employee assistance program. NOVA Parks is also pleased to provide employer-paid life, AD&D, short term disability, and long term disability insurance, as well as access to optional employee-paid voluntary benefits including additional life and AD&D insurance. Premiums for all health, dental, and vision benefits are deducted on a bi-weekly, pre-tax basis over 24 pay periods. In months where there are three paychecks, health, dental, vision, and, if applicable, life insurance premiums will not be deducted from the third paycheck.

Consider your benefit options carefully before you make your benefit elections. The benefits you choose will be in place from your eligibility date through the end of the calendar year, unless you have an IRS qualifying event during the year such as marriage, birth, death, etc. It is the employee’s responsibility to notify Human Resources of any mid-year qualifying events that affect their coverage within 30 days of the event.
HELP STARTS HERE
BenefitsVIP is a powerful, one-stop contact center staffed by seasoned professionals. Your dedicated team of employee benefits advocates is ready to help you and your family members resolve your Kaiser, MetLife, Avēsis, Renaissance, BRI, and INOVA EAP benefits issues.

CIGNA PLANS
NOVA Parks offers three medical plans, managed by Cigna. These plans offer out-of-network coverage and include vision benefits (pg.9). To find a doctor, log on to www.mycigna.com.

CO-INSURANCE
Cigna’s share of the cost of a covered health service, calculated as a percent of the allowed amount for the service. You pay the remaining co-insurance, copays, and any deductibles you owe.

KAISER PERMANENTE INSURANCE PLANS

NOVA Parks offers two Kaiser Permanente insurance plans; the HMO Signature and HMO Select. These plans only provide in-network coverage — no out-of-network benefits are available.

The HMO Select plan has the same benefits as the HMO Signature plan, but offers a larger network of doctors to choose from. In other words, the HMO Select plan does not require you or your dependents to visit a Kaiser Permanente medical facility for care, while the HMO Signature plan is a local HMO medical center based design.

Visit [www.kp.org](http://www.kp.org) or call 1.855.249.5018 for a list of network providers.

### KP*

If you are enrolled in a Cigna insurance plan, vision insurance, provided by EyeMed, is included. You have access to providers such as Target Optical, LensCrafters, MyEyeDr, America's Best, Pearle Vision, JC Penney, or Sears Optical. To find a vision provider or discounts, visit [www.eyemed.com](http://www.eyemed.com).

### KAISER PERMANENTE (KP) VISION

If your dependents under age 19 are enrolled in the Kaiser Permanente insurance plan offered by NOVA Parks, they have vision benefits included. You and your dependents over the age of 19 do not have vision benefits included in the plan, but may be eligible to receive a discount on your eyeglass lenses and frames. Visit [www.kp.org](http://www.kp.org) for more information.

FSAs are typically “use it or lose it” type programs meaning if you do not use all of the funds you elect to contribute to your FSA during the plan year, you will lose those remaining funds. This is why it is important for you to budget appropriately and use all of the funds within the FSA plan year. With a Health Care FSA, you will be eligible to carryover amounts up to $500 into the next plan year. The only time you may make a change to your contribution amount is during open enrollment or if you experience an IRS qualified status change.

Internal Revenue Service tax regulations require participants to make a new election each year. In other words, you must complete a new enrollment form each year.

**WHAT IS A FLEXIBLE SPENDING ACCOUNT?**

A Flexible Spending Account (FSA) allows you to set aside pre-tax dollars from your pay which may be used to cover out-of-pocket health care expenses incurred by you or your dependents, as well as dependent day care expenses throughout the year.

**SAVE ALL RECEIPTS**

You must save all receipts from purchases made on your FSA debit card, if provided one. Benefit Resources Inc. (BRI) may request that you substantiate your FSA health care purchases.

TERM LIFE AND AD&D INSURANCE
Life Insurance coverage provides important financial protection for your family in the event of your death. Accidental death and dismemberment (AD&D) insurance coverage provides financial protection in the event of death, loss of hand, feet, and/or vision due to a covered accident. NOVA Parks provides all active full-time employees with Term Life and AD&D coverage through Renaissance. The benefit amount is your annual salary rounded to the nearest thousand not to exceed $100,000. Benefit reductions begin when the employee reaches the age of 65. NOVA Parks pays the full cost of this benefit.

VOLUNTARY TERM LIFE AND AD&D INSURANCE
Full-time employees are eligible to purchase voluntary life insurance through Renaissance in increments of $10,000, with an overall benefit up to the lesser of five times their annual salary or $500,000. Spouse insurance is available in $5,000 increments, up to $100,000. Dependent children can have coverage amounts in $1,000 increments, up to $10,000. For insurance amounts in excess of $100,000, the insured will be required to undergo medical underwriting. Any costs associated with record requests or testing for the medical underwriting will be at the employee’s expense. Premiums are based on employee age and amount of coverage elected. Employees are responsible for 100% of the cost of this benefit.

SHORT TERM DISABILITY
Short term disability (STD) is designed to provide income replacement if you become disabled due to an accident or illness and are unable to work. NOVA Parks provides all active full-time employees with STD coverage through Renaissance. The STD benefit replaces 60% of your gross salary to a maximum of $1,000 per week. NOVA Parks pays the full cost of this benefit.

LONG TERM DISABILITY
Long term disability (LTD) is designed to provide income replacement if you become disabled due to an accident or extended illness and are unable to work. NOVA Parks provides all active full-time employees with LTD coverage through Renaissance. The LTD benefit replaces 60% of your gross salary to a maximum of $5,000 per month. NOVA Parks pays the full cost of this benefit.

EMPLOYEE ASSISTANCE PROGRAM
The Employee Assistance Program (EAP) is a free, confidential employee assistance service that offers practical, real-world solutions to help you manage problems before they adversely affect your personal life, health, and job performance. Full time employees and their household members are eligible for EAP services. The EAP includes:

- Confidential counseling
  Short-term counseling services can help you find solutions to problems ranging from family or workplace frustrations to alcohol or drug abuse. Professional counselors define the problem, provide support, and offer guidance and referrals.

- Legal services
  One free 30-minute consultation with an in-network attorney and a 25% discount off the attorney’s hourly rate if you choose to retain that attorney. Access wills, advance directives and other legal documents online.

- Financial services
  Speak with a financial professional at no charge regarding such issues as retirement planning, debt consolidation, funding a child’s college education, mortgage loan options and a variety of other financial concerns. Callers receive up to 60 minutes of telephonic consultation per issue. Financial information, tools and calculators are available online.

- Work Life referral services
  Work Life consultants will assess your needs, pinpoint appropriate resources, and suggest guidelines for evaluating those resources. Consultants can locate resources in a variety of areas, including child care, elder care, identity theft, education information, health and wellness, pet services, and more.

- On-line resources
  An interactive web service that provides 24-hour access to an extensive library of nationwide Work Life resources and interactive tools.

DEFERRED COMPENSATION
The NOVA Parks Deferred Compensation Plan is administered by ICMA-RC. This plan provides employees with an opportunity to save a portion of their wages for retirement on a pre-tax basis. The program is governed by Section 457 of the Internal Revenue Code and is designed to complement NOVA Parks’ defined benefit retirement plan.

The annual deferral limit is set each year, with some employees eligible to make catch-up contributions. If you have questions about your account or catch-up contributions, please contact Human Resources or reach out to ICMA-RC directly at www.icmarc.org or 1.800.669.7400.

DEFINDED BENEFIT RETIREMENT PLAN
The NOVA Parks Defined Benefit Retirement Plan is an annual annuity (payable monthly) equal to the employee’s average final compensation, multiplied by the number of years of creditable service and 1.9% or 2.1%.* Various annuity forms are available, including survivor benefits for married retirees. There are options for both early and normal retirement. Detailed information is in the Retirement Plan document.

* 1.9% for employees hired after July 1, 2002 and 2.1% for employees hired prior to July 1, 2002.

RETIREE HEALTH INSURANCE
Qualified retirees may participate in the health insurance program. Retirees are subject to the same procedures and rules as active employees. The Retirement Plan will pay a portion of the premium, not to exceed the cap, based on years of service.
SPECIAL ENROLLMENT RIGHTS (HIPAA)
If you have previously declined enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

NO GUARANTEE ON TAX CONSEQUENCES
Neither the Administrator nor the Company makes any commitment or guarantee that any amounts paid to or for the benefit of an Employee under any Plan will be excludable from the Employee’s gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Employee. An Employee shall indemnify and reimburse the Company for any liability it may incur for failure to withhold federal or state income tax or social security tax from such payments or reimbursements.

NEWBORNS & MOTHERS HEALTH PROTECTION ACT
Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

MICHELLE’S LAW
Michelle’s Law permits seriously ill or injured college students to continue coverage under a group health plan when they must leave school on a full-time basis due to their injury or illness and would otherwise lose coverage. The continuation of coverage applies to a dependent child’s leave of absence from (or other change in enrollment) a postsecondary educational institution (college or university) because of a serious illness or injury, while covered under a health plan. This would otherwise cause the child to lose dependent status under the terms of the plan. Coverage will be continued until:
1. One year from the start of the medically necessary leave of absence, or
2. The date on which the coverage would otherwise terminate under the terms of the health plan; whichever is earlier.

MEDICARE PART D NOTICE OF CREDITABLE COVERAGE
Written notice stating whether or not the expected amount of paid claims under a group health plan’s prescription drug coverage is at least as much as the expected amount of paid claims under Medicare Part D. Must be sent to participants and beneficiaries eligible for Medicare Part D. The notice must be provided by (1) October 15th each year; (2) prior to an individual’s individual enrollment period for Part D; (3) prior to the effective date of coverage for any Part D eligible individual who enrolls in the employer’s prescription drug coverage; (4) when the plan no longer provides drug coverage or when the coverage is no longer creditable; and (5) upon request.

JANET’S LAW WOMEN’S HEALTH AND CANCER RIGHT’S ACT OF 1998
On October 21, 1998, Congress enacted the Women’s Health and Cancer Rights Act of 1998. As required by this law, annual notice of the mandated post-mastectomy benefits must be provided to all covered persons. Please review this information carefully. If your spouse is covered under a health plan sponsored by your employer, please make certain that she or he also has the opportunity to review this information.

The Act requires that group health plans that provide medical and surgical benefits for a mastectomy also must provide coverage for:
- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and coverage for any complications in all stages of mastectomy, including lymphedemas.
The Act requires that coverage be provided in a manner that is consistent with other benefits provided under the plan. The coverage may be subject to annual deductibles and coinsurance provisions.
The Act prohibits any group health plan from:
- Denying a participant or a beneficiary eligibility to enroll or renew coverage under the plan in order to avoid the requirements of the Act;
- Penalizing, reducing, or limiting reimbursement to the attending provider (e.g., physician, clinic or hospital) or to induce (monetary or otherwise) the provider to provide care inconsistent with the Act.

CHILDREN’S HEALTH INSURANCE PROGRAM REAUTHORIZATION ACT (CHIPRA)
Effective April 1, 2009 employees and dependents who are eligible for coverage, but who have not enrolled, have the right to elect coverage during the plan year under two circumstances:
- The employee’s or dependent’s state Medicaid or CHIP (Children’s Health Insurance Program) coverage terminates because the individual ceases to be eligible.
- The employee or dependent becomes eligible for a CHIP premium assistance subsidy under state Medicaid or CHIP (Children’s Health Insurance Program).

Employers must request this special enrollment within 60 days of the loss of coverage and/or within 60 days of when eligibility is determined for the premium subsidy.

MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT OF 2008
This act expands the mental health parity requirements in the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Services Act by imposing new
mandates on group health plans that provide both medical and surgical benefits and mental health or substance abuse disorder benefits. Among the new requirements, such plans (or the health insurance coverage offered in connection with such plans) must ensure that: the financial requirements applicable to mental health or substance abuse disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance abuse disorder benefits.

CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA)
The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires employers who provide medical coverage to their employees to offer such coverage to employees and covered family members on a temporary basis when there has been a change in circumstances that would otherwise result in a loss of such coverage (26 USC §4980B) This benefit, known as “continuation coverage,” applies if, for example, dependent children become independent, spouses get divorced, or employees leave the employer.

HIPAA INFORMATION NOTICE OF PRIVACY PRACTICES
In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), your employer recognizes your right to privacy in matters related to the disclosure of health related information. The Notice of privacy practices (provided to you upon your enrollment in the health plan) details the steps your employer has taken to assure your privacy is protected. The Notice also explains your rights under HIPAA. A copy of this Notice is available to you at any time, free of charge, by request through your local Human Resources Department.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)
is a medical child support order issued under State law that creates or recognizes the existence of an “alternate recipient’s” right to receive benefits for which a participant or beneficiary is eligible under a group health plan. An “alternate recipient” is any child of a participant (including a child adopted by or placed for adoption with a participant in a group health plan) who is recognized under a medical child support order as having a right to enrollment under a group health plan with respect to such participant. Upon receipt, the administrator of a group health plan is required to determine, within a reasonable period of time, whether a medical child support order is qualified. In the event you are served with a notice to provide medical coverage for a dependent child as the result of a legal determination, you may obtain information from your employer on the rules for seeking to enact such coverage. These rules are provided at no cost to you and may be requested from your employer at any time.

COVERAGE EXTENSION RIGHTS UNDER THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)
If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents (including spouse) for up to 24 months while in the military. Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer’s health plan when you are reemployed, generally without any waiting periods or exclusions for preexisting conditions except for service-connected injuries or illnesses.

GENETIC INFORMATION NON-DISCRIMINATION ACT (GINA)
GINA broadly prohibits covered employers from discriminating against an employee, individual, or member because of the employee’s “genetic information,” which is broadly defined in GINA to mean (1) genetic tests of the individual, (2) genetic tests of family members of the individual, and (3) the manifestation of a disease or disorder in family members of such individual. GINA also prohibits employers from requesting, requiring, or purchasing an employee’s genetic information. This prohibition does not extend to information that is requested or required to comply with the certification requirements of family and medical leave laws, or to information inadvertently obtained through lawful inquiries under, for example, the Americans with Disabilities Act, provided the employer does not use the information in any discriminatory manner. In the event a covered employer lawfully (or inadvertently) acquires genetic information, the information must be kept in a separate file and treated as a confidential medical record, and may be disclosed to third parties only in very limited circumstances.

CAN CHILDREN STAY ON A PARENT’S PLAN UNTIL AGE 26?
If a plan covers children, they can be added or kept on the health insurance policy until they turn 26 years old. Children can join or remain on a plan even if they are:
- married
- not living with their parents
- attending school
- not financially dependent on their parents
- eligible to enroll in their employer’s plan

HOW TO GET COVERAGE FOR ADULT CHILDREN
Adult child may be enrolled during a plan’s open enrollment period or during other special enrollment opportunities. The employer or insurance company can provide details. Under-26 year-olds can be signed up directly in new Marketplace plans. Be sure to include him or her on the list of people to be covered.
