BENEFITS GUIDE
Dear NOVA Parks Colleague:

NOVA Parks cares about the health and well-being of you and your family, and we are dedicated to providing you with a comprehensive benefits package. We encourage you and your dependents to become familiar with the resources and providers listed in this benefits guide.

As an active, part-time employee of NOVA Parks, you are eligible for health insurance as well as dental and vision benefits. Premiums for all health, dental, and vision benefits are deducted on a bi-weekly, pre-tax basis over 24 pay periods. In months where there are three paychecks, health, dental, and vision premiums will not be deducted from the third paycheck.

Consider your benefit options carefully before you make your benefit elections. The benefits you choose will be in place from your eligibility date through the end of the calendar year, unless you have an IRS qualifying event during the year such as marriage, birth, death, etc. It is the employee’s responsibility to notify Human Resources of any mid-year qualifying events that affect their coverage within 30 days of the event.

Kaiser Permanente Insurance Plans

NOVA Parks offers two Kaiser Permanente insurance plans; the HMO Signature and HMO Select. These plans only provide in-network coverage — no out-of-network benefits are available.

The HMO Select plan has the same benefits as the HMO Signature plan, but offers a larger network of doctors to choose from. In other words, the HMO Select plan does not require you or your dependents to visit a Kaiser Permanente medical facility for care, while the HMO Signature plan is a local HMO medical center based design.

Visit [www.kp.org](http://www.kp.org) or call 1.855.249.5018 for a list of network providers.
You may choose either an in or out-of-network dentist. However, if you choose an out-of-network dentist, your out-of-pocket costs may be higher. Before receiving service, MetLife recommends that you request a pre-treatment estimate for services in excess of $300. Your dentist can submit a request online at www.metdental.com or can call 1.877.MET.DDS9. You and your dentist will receive a benefit estimate for most procedures while you are still in the office!

To locate in-network providers in your area, call 1.800.828.9341 or visit [www.avesis.com](http://www.avesis.com). Members who use an out-of-network provider must pay the provider in full at the time of service and submit a claim to Avesis for reimbursement.
SPECIAL ENROLLMENT RIGHTS (HIPAA)
If you have previously declined enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

NO GUARANTEE ON TAX CONSEQUENCES
Neither the Administrator nor the Company makes any commitment or guarantee that any amounts paid to or for the benefit of an Employee under any Plan will be excludable from the Employee’s gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Employee. An Employee shall indemnify and reimburse the Company for any liability it may incur for failure to withhold federal or state income tax or social security tax from such payments or reimbursements.

NEWBORNS & MOTHERS HEALTH PROTECTION ACT
Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

MICHELLE’S LAW
Michelle’s Law permits seriously ill or injured college students to continue coverage under a group health plan when they must leave school on a full-time basis due to their injury or illness and would otherwise lose coverage.

MEDICARE PART D NOTICE OF CREDITABLE COVERAGE
Written notice stating whether or not the expected amount of paid claims under a group health plan’s prescription drug coverage is at least as much as the expected amount of paid claims under Medicare Part D. The coverage may be provided under the plan. The notice must be provided by (1) October 15th each year; (2) prior to an individual’s individual enrollment period for Part D; (3) prior to the effective date of coverage for any Part D eligible enrollee who enrolls in the employer’s prescription drug coverage; (4) when the plan no longer provides drug coverage or when the coverage is no longer creditable; and (5) upon request.

JANET’S LAW WOMEN’S HEALTH AND CANCER RIGHT’S ACT OF 1998
On October 21, 1998, Congress enacted the Women’s Health and Cancer Rights Act of 1998. As required by this law, annual notice of the mandated post-mastectomy benefits must be provided to all covered persons. Please review this information carefully. If your spouse is covered under a health plan sponsored by your employer, please make certain that she or he also has the opportunity to review this information.

The Women’s Health and Cancer Rights Act of 1998 requires that all group health plans that provide medical and surgical benefits for a mastectomy also must provide coverage for:
- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and reconstruction for any complications in all stages of mastectomy, including lymphedemas.

The Act requires that coverage be provided in a manner that is consistent with other benefits provided under the plan. The coverage may be subject to annual deductibles and coinsurance provisions. The Act prohibits any group health plan from:
- Denying a participant or a beneficiary eligibility to enroll or renew coverage under the plan in order to avoid the requirements of the Act;
- Penalizing, reducing, or limiting reimbursement to the attending provider (e.g., physician, clinic or hospital) or to induce (monetary or otherwise) the provider to provide care inconsistent with the Act.

CHILDREN’S HEALTH INSURANCE PROGRAM REAUTHORIZATION ACT (CHIPRA)
Effective April 1, 2009 employees and dependents who are eligible for coverage, but who have not enrolled, have the right to elect coverage during the plan year under two circumstances:
- The employee’s or dependent’s state Medicaid or CHIP (Children’s Health Insurance Program) coverage terminates because the individual ceases to be eligible.
- The employee or dependent becomes eligible for a CHIP premium assistance subsidy under state Medicaid or CHIP (Children’s Health Insurance Program).

Employers must request this special enrollment within 60 days of the loss of coverage and/or within 60 days of when eligibility is determined for the premium subsidy.

MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT OF 2008
This act expands the mental health parity requirements in the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Services Act by imposing new
mandates on group health plans that provide both medical and surgical benefits and mental health or substance abuse disorder benefits. Among the new requirements, such plans (or the health insurance coverage offered in connection with such plans) must ensure that: the financial requirements applicable to mental health or substance abuse disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance abuse disorder benefits.

CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA)
The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires employers who provide medical coverage to their employees to offer such coverage to employees and covered family members on a temporary basis when there has been a change in circumstances that would otherwise result in a loss of such coverage (26 USC §4980B). This benefit, known as “continuation coverage,” applies if, for example, dependent children become independent, spouses get divorced, or employees leave the employer.

HIPAA INFORMATION NOTICE OF PRIVACY PRACTICES
In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), your employer recognizes your right to privacy in matters related to the disclosure of health-related information. The Notice of privacy practices (provided to you upon your enrollment in the health plan) details the steps your employer has taken to assure your privacy is protected. The Notice also explains your rights under HIPAA. A copy of this Notice is available to you at any time, free of charge, by request through your local Human Resources Department.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)
is a medical child support order issued under State law that creates or recognizes the existence of an “alternate recipient’s” right to receive benefits for which a participant or beneficiary is eligible under a group health plan. An “alternate recipient” is any child of a participant (including a child adopted by or placed for adoption with a participant in a group health plan) who is recognized under a medical child support order as having a right to enrollment under a group health plan with respect to such participant. Upon receipt, the administrator of a group health plan is required to determine, within a reasonable period of time, whether a medical child support order is qualified. In the event you are served with a notice to provide medical coverage for a dependent child as the result of a legal determination, you may obtain information from your employer on the rules for seeking to enroll such coverage. These rules are provided at no cost to you and may be requested from your employer at any time.

COVERAGE EXTENSION RIGHTS UNDER THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)
If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents (including spouse) for up to 24 months while in the military. Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer’s health plan when you are reemployed, generally without any waiting periods or exclusions for preexisting conditions except for service-connected injuries or illnesses.

GENETIC INFORMATION NON-DISCRIMINATION ACT (GINA)
GINA broadly prohibits covered employers from discriminating against an employee, individual, or member because of the employee’s “genetic information,” which is broadly defined in GINA to mean (1) genetic tests of the individual, (2) genetic tests of family members of the individual, and (3) the manifestation of a disease or disorder in family members of such individual. GINA also prohibits employers from requesting, requiring, or purchasing an employee’s genetic information. This prohibition does not extend to information that is requested or required to comply with the certification requirements of family and medical leave laws, or to information inadvertently obtained through lawful inquiries under, for example, the Americans with Disabilities Act, provided the employer does not use the information in any discriminatory manner. In the event a covered employer lawfully (or inadvertently) acquires genetic information, the information must be kept in a separate file and treated as a confidential medical record, and may be disclosed to third parties only in very limited circumstances.

CAN CHILDREN STAY ON A PARENT’S PLAN UNTIL AGE 26?
If a plan covers children, they can be added or kept on the health insurance policy until they turn 26 years old. Children can join or remain on a plan even if they are:
- married
- not living with their parents
- attending school
- not financially dependent on their parents
- eligible to enroll in their employer’s plan

HOW TO GET COVERAGE FOR ADULT CHILDREN
Adult child may be enrolled during a plan’s open enrollment period or during other special enrollment opportunities. The employer or insurance company can provide details. Under-26-year-olds can be signed up directly in new Marketplace plans. Be sure to include him or her on the list of people to be covered.
