Ashburn to Pleasant View 230 kV Reconductor Project

AT DOMINION ENERGY, we are committed to continually reviewing and analyzing our energy infrastructure to provide safe, reliable and affordable electricity to our neighbors.

Beginning now until June 2022, Dominion Energy will be upgrading the electric transmission lines along the W&OD Trail from Claiborne Parkway to just west of Cochran Mill Road. This work will be performed in several phases and have the following impacts:

At Dominion Energy, we know many of our customers are facing challenges due to the COVID-19 pandemic. We're here to help. In accordance with the law recently passed in Virginia, we're offering flexible payment arrangements up to 24 months. To set up a payment plan, or view additional assistance options, please visit [DominionEnergy.com](https://www.dominionenergy.com) or call 1-866-366-4357.

- Sections of the paved trail may be closed and detoured to the gravel path
- The gravel path may be closed while the paved trail remains open
- Trail traffic may be intermittently halted for a maximum of 15 minutes

The 8.5-mile detour will be put in place for trail users for up to two weeks beginning mid-April (4/11-4/15 and 4/18-4/22, not including weekends). Detour signs will be posted. You will receive a follow-up postcard with more detailed information. Dominion Energy and NOVA Parks appreciate your patience as we work to complete this important project. During construction, please obey all flagger instructions and signage.

Please know that we are dedicated to working safely and courteously in your community and we will continue to keep you updated on our progress.
