

Parking and set up information for the Al Urquia and VSRC Regattas:

NO PARKING IS ALLOWED ALONG VAN THOMPSON OR HAMPTON ROADS. Please be respectful of our neighbors and do not park along the roadsides. You may be ticketed or towed.

Follow @SandyRun and @VASRAstart for regatta updates.

Parking on site at Sandy Run is restricted to athletes, coaches, referees/officials, team busses/boat trailers, VASRA volunteers and handicapped or mobility limited individuals.

Athletes who drive themselves may park onsite in Loisvale Lot and D lot until parking is full. There is no fee to park on site. If onsite parking is full, athletes will need to park at South County High School and ride the shuttle to the park. The shuttle is free to athletes in uniform.

Coaches may park on site in D lot and Loisvale Lot until parking is full. If onsite parking is full, coaches will need to park at South County High School and ride the shuttle to the park.

Drop offs are permitted at the park in D lot. Please follow the directions of the parking staff.

Handicap vehicles may park onsite in C lot until parking is full.

Pick-ups are permitted in D lot when your athlete is in D lot and ready to be picked up. There is no area available at the park to wait for your athlete. Alternatively, your athlete may ride the shuttle from the park to South County High School for no fee and be picked up at South County, which has plenty of space available to park and wait.

Spectators may not park onsite at the park. All spectators must park at South County High School and ride the shuttle to the park. Reminder: pets are not permitted on shuttles or in the park on regatta days.

South County High School is located at 8501 Silverbrook Rd, Lorton, VA 22079

The shuttle fee is \$10 round trip, collected at South County High School when you board the shuttles. Cash only.

Team busses and vans may park on site in B lot until parking is full.

Team boat trailers may park in the gravel trailer lot during the following times: Fridays 11am-7pm, or Saturdays 6am-7am. Due to the size of these regattas, trailers will need to double up in most spaces. Please be considerate when parking and back all the way up to the wood line if you are the first trailer in the space.

Team tents may be set up Friday between 11am-7pm, or Saturday or Sunday morning before 7am. Team tent spaces are first come, first served. Utility trailers, chuck wagons/food trailers are not permitted on site. Open flames, propane, or cooking on site is not permitted per Fire Marshal guidelines. If you have items to drop off to your team, you may use the drop off lane in D lot after 7am on regatta day, and you must communicate with a coach or athlete from your team to walk up to the drop off lane and receive the items from you. Driving to your team's tent is not permitted after 7am on

regatta day. For tent take down, driving to your team's tent is only permitted after the last race has launched and the lower park area is sufficiently clear.

VASRA Volunteers may park on site in D lot. This is *only* for VASRA Volunteers such as concessions, stake boat holders, launch drivers, etc. If you signed up to volunteer with your school or club, you may not park on site. You should park at South County High School and ride the shuttle to the park.
