Supplemental General Conditions and Specifications Revision

Due to the volume and some redundancy in the supplemental General Conditions and Specification section of the project manual, please refer to the edits below of what sections can be removed and what sections should still be considered.

Specification Changes:

1. Remove the following specification sections from Division 01 in their entirety:

011400 Work Restrictions
012600 Contract Modification Procedures
012900 Payment Procedures
013000 Project Management and Coordination
013200 Construction Progress Documentation
013300 Submittal Procedures
014000 Quality Requirements
015000 Temporary Facilities and Controls
017419 Construction Waste Management and Disposal
017700 Closeout Procedures
017839 Project Record Documents

2. The following specification sections from Division 01 will remain as part of the project bid manual:

011000 Summary
014200 References
016000 Product Requirements
017300 Execution Requirements
017329 Cutting and Patching
017823 Operation and Maintenance Data
017900 Demonstration and Training
