

## **ADDENDUM NUMBER ONE (1)**

For

**Bull Run Occoquan Trail  
Recreation Trails Program (RTP)  
Federal Highway Administration (FHWA)  
State Project Number: VRT-315-D-170**

Addendum Date:  
August 15, 2019

### GENERAL

- A. This addendum shall become part of the Contract Documents and modify the bidding documents including past addenda as indicated below.
  - B. Bidders should acknowledge receipt of this Addendum in the appropriate space on the bid form.
  - C. This Addendum consists of One (1) typed page of corrections / additions to the Contract Documents.
- 
1. To clarify, the extent of work for this project pertains to Segments G, H, I, J, L and M as noted in the Trail Assessment Study.
  2. Full Horizontal & Vertical Control, Topographic Surveying for the design and Full Construction Site and Building Plans will only be necessary for those sections of trail that include either a bridge or boardwalk (Puncheon) areas. Early conversations with the county require only a general location of the trail using existing or aerial topography.
  3. The GIS files of the proposed and existing trail routes are available and can be downloaded on the NOVA Parks Website (<https://www.novaparks.com/about/bids-proposals>).
