- B. Bidders should acknowledge receipt of this Addendum in the appropriate space on the bid form.
- C. This Addendum consists of One (1) typed page of corrections / additions to the Contract Documents.

- 
- 1. To clarify, no grading of the site will be necessary for the installation of the landscaping. In the section marked on the plans as “Overseeding Areas”, the contractor shall mow existing turf on the lowest possible height and dethatch prior to installing the reforestation seeding mix as specified.
  - 2. NOVA Parks plans on issuing the Notice to Proceed soon after the opening of the bids with the goal that the plantings will be completed before the end of October. However, no planting shall take place after November 30. If specified plants are not available, then those plants will be installed during the spring planting season from March 15 to June 15.
