NOTICE OF DECISION TO AWARD CONTRACT FOR EMERGENCY REPAIRS

NOVA Parks awarded an emergency repair contract to Avon Corporation on February 10, 2021 for repairs to the golf course irrigation pond at Pohick Bay Regional Park. The scope of work includes (1) replacement of a deteriorated and collapsed pond overflow riser, (2) replacement of a portion of failed through pipe underneath the dam, and (3) rebuilding portions of washed out earthen dam embankment.

This repair project was deemed an emergency by NOVA Parks as the collapsed riser and blocked through pipe leave the dam vulnerable to additional significant damage or failure during heavy storm events. Furthermore, it is critical that the repairs begin as soon as possible to ensure that NOVA Parks has an adequate supply of irrigation water for its golf course

Avon Corporation has significant experience with this type of repair work and has completed similar successful projects for NOVA Parks in the past. Avon is ready and willing to begin work immediately.
