**The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage see [www.kp.org/plandocuments](http://www.kp.org/plandocuments) or call 1-855-249-5018 (TTY: 711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. | Important Questions   |   | Answers  | Why this Matters: |
|---|---|--|-------------------|
| What is the overall deductible?                             | \$0.  | See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.  |                   |
| Are there services covered before you meet your deductible? | Not Applicable.   | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |                   |
| Are there other deductibles for specific services?          | No.   | You don't have to meet <a href="#">deductibles</a> for specific services.  |                   |
| What is the out-of-pocket limit for this plan?              | \$3,500 Individual / \$9,400 Family   | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.  |                   |
| What is not included in the out-of-pocket limit?            | <a href="#">Premiums</a> , health care this <a href="#">plan</a> doesn't cover, and services indicated in chart starting on page 2.     | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .  |                   |
| Will you pay less if you use a network provider?            | Yes. See <a href="http://www.kp.org">www.kp.org</a> or call 1-855-249-5018 (TTY: 711) for a list of <a href="#">network providers</a> . | This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network providers</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |                   |
| Do you need a referral to see a specialist?                 | Yes, but you may self-refer to certain <a href="#">specialists</a> .  | This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .   |                   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
