Portrait Photography Permit for Carlyle House Gardens

We are thrilled that you appreciate the beauty of Carlyle House Historic Park. Please adhere to the following guidelines so that everyone may enjoy the site.

Fees: We charge a $25.00 photo fee for each photography session. Professional photographers may purchase a yearly pass for $200.

Appointments: Please call 703-549-2997 between 10am and 4pm on weekdays or email carlyle@nvrpa.org. While we cannot reserve the park for your exclusive use, we prefer you make an appointment. We reserve the right to reschedule your appointment if it conflicts with an event or rental.

Registration: Please fill out the form at the bottom of this page so that we may contact you if a conflict arises during your preferred time period. This is not a confirmed reservation and we do not guarantee that you will have the park to yourself. Fees and registration apply to any portrait photography group, including non-professional photographers.

Time Limit: Two hours per party.

Garden etiquette: Please be considerate of other guests and activities. Please stay out of planted beds, but feel free to use the grass areas. We allow tripods and small props. Please do not move the benches.

This contract does not apply to walk up weddings. Parties of 7 or less may hold short wedding ceremonies in the park during park open hours, dawn to dusk. We suggest you contact Carlyle House a week before your event to ensure that the garden is available.

Thank you for your cooperation.
